

Food Ordering Mobile Application

The image displays four screenshots of a food ordering mobile application, arranged horizontally. The first screenshot shows the main home screen with various food categories like Burger, Pizza, Pasta, etc., and a search bar. The second screenshot shows a list of favorite restaurants. The third screenshot shows the 'Burgers' category with items like Cheese Burger Whopper and Margarita Pepperoni Pizza. The fourth screenshot shows the 'Kebab' category with a dish called Mix of Beef, Chicken, Ribs, Potato.
